Our Price: \$4.95

The first in a new Coloring Story Book series. The characters, both human and animal in this tale of a Punjabi farmer who struggles to uproot a giant turnip, will delight young readers. The hilarious endeavor shows just what can be achieved with co-operation and perseverance. The beautiful line drawings invite children to color the book and make it their own work. Written in Punjabi and English, the book is also a great tool for learning Punjabi.
